Oakland is Grand AVENUE

Grand Avenue is one of the oldest retail corridors in Oakland. The Grand Lake Theater is over 80 years old, as is the Grand Lake Smoke Shop. Dreyer's Ice Cream started on Grand Avenue in 1928. And, The Coffee Mill is Oakland's oldest coffee house.

Today, Grand Avenue is a microcosm of Oakland with a diverse mix of residents and an exciting array of stores and services that cater to nearly every interest.

The Grand Avenue Business Association represents merchants in the Grand Avenue corridor between MacArthur and the Piedmont border. Most of the stores on Grand are independently-owned and owner-operated, so shoppers can be assured of top-quality service as well as excellent merchandise.
